Subject:Hello!

Hi,

I'm a 41 – year old. I live in Torun, Poland

My day starts very early because work starts at 6:00 a.m. I go up at 5:00 a.m. and go to work at 5:30 a.m. I like working with CNC machines and create programs for CNC, but I don't like working with people. In the afternoons, I do my homework and help my relatives. In the the evenings, I surf the Net and sometimes watch film online. I go to bed at about 11:00. When I have free time I spend with my relatives. We go to the swimming pool, ride a bicycles or walk around the old town.

What about you? Write back
